Hi folks

Arrived here at 9:30 in the morning. Would of made better time if we had not been held up in New York for 1 hour. Got to Trenton at 5:30. Left for New York at 6:04. Arrived in New York at 10:10. We had to go over to Grand Central to get a train. Had a little trouble getting a taxi for there. Just missed the ten-thirty for Meade. Left New York at 11:30. Got a train right to Meade arriving here about 3:15. Very good time

Boy those Browns & sandwiches the girls gave me really hit the spot. We had one sandwich left when we hit Meade. Freddie and Ed go for those Browns. We are tired tonight. Turning in about 8:30. Really need the rest. (over)

The fellows left Sunday night at midnight. Dont know where they went. We expect to get the last of the week.

Had a swell time on my leave. Much too short. But it sure was worth it. Sorry I did not see Chet & the family.

Well tomorrow the World Series begins tomorrow. What wouldn't I give to be there. Saw last game with Cards all the years. Bet my last penny that I will be there next year. Tell Chet the cards will win in six games. The Yanks are good but Bond Chandler can win it alone.

Tell the girls thanks for everything. They sure were swell to me. I guess I shot the bunk. Don't forget to write.

Love D. C. P.
